DECEMBER NEWSLETTER

This month in Music:

December is our performance season in music class. We are working hard to prepare for our concert on December 11th. Students will do an in-building practice the week of the concert, and a practice at the high school the day of. With our PAC parking lot open and in use, we have some changes to make for students and parents. Students will be staging in classrooms away from the lobby-we will be doing this walk-through at our practice. Parents/guardians/audience therefore can use the lobby as an entrance fully and can meet students there for pick-up the night of the concert. Please use the PAC parking lot, since it will save you lots of walking steps! Our grade-level concerts will run through the night starting 3rd grade promptly at 5, 4th grade at 6 pm and 5th grade at 7 pm. As always, it is a quick in and out, but please don't forget to check out our Family Night activities before you leave or have to perform. The attire I request is holiday color theme-usually best for black on bottom, color on top, of course dresses are allowed too. Finally, students will be ending the year with a concert reflection-they get to watch back on performances and use their musical training to be a judge!

Sincerely, Mrs. Rich

This month in STEAM:

It is hard to believe it is already December! In STEAM this month, third graders have begun their computer programming unit and are starting to learn how to write simple lines of code. We have some coding professionals already! Fourth graders will be doing several fun art projects before the holiday break like Tin Foil Embossing and Winter Village art. Fifth graders are about to complete their computer programming unit and then they will begin their geometric animal constellation paintings that we will finish in the new year!

Thank you so much to all of the families who ordered from our Square1Art Fundraiser! I hope you absolutely love your keepsakes. I sincerely appreciate your support!

Sincerely,
Mrs. Courier

This month in P.E.:

We are going to take advantage of the abundance of snow, by getting outside for snow building and sled pulling! We are also working on cooperative games in PE, practicing perseverance and integrity. The week before winter break, we will play some seasonal activities (Elf Express, Light Fight, and Sleigh Rides) and due to a few schedule adjustments, we will have some free choice as well! Please remind your student to bring athletic shoes on their PE day, and to dress for the weather!

In good health,
Mrs. Oswald
