

## **Mrs. May & Ms. Fruchey's Class**

November 21, 2025

### Thanksgiving Food Drive

Our annual food drive was a huge success with over 2,000 items collected! Thanks so much to those who donated.

### Academics

In math, we are almost finished with Module 3, **addition and subtraction of fractions**. (See the next page for a sample.) In reading, we are doing a novel study on the book City of Ember. The kids are loving it so far! In science, we are learning about the **water cycle** and Earth's systems.

Having trouble with math homework? Try one of these Youtube channels:

[@merriehensley784](#)

[@homeworkhelp5567](#)

Problem	With a common denominator	Result
$\frac{3}{5} + \frac{1}{3}$	$\frac{3 \cdot 3}{5 \cdot 3} + \frac{1 \cdot 5}{3 \cdot 5} = \frac{9}{15} + \frac{5}{15}$	$\frac{14}{15}$
$\frac{3}{5} - \frac{1}{3}$	$\frac{3 \cdot 3}{5 \cdot 3} - \frac{1 \cdot 5}{3 \cdot 5} = \frac{9}{15} - \frac{5}{15}$	$\frac{4}{15}$

## Spotlight Students

Recent Spotlight Students are [Leihannah and Clayton](#). Nice job! Keep it up!

## Looking Ahead

- There is [no school](#) for Thanksgiving break November 26 - 28.
- [Holiday concerts](#) and Family Night will be at BHS Thursday, December 11.  
More information to come!
- There is a [half day](#) for students Friday, December 19 and [no school](#) for the holiday break December 22- January 5.
- Information about our [field trip](#) to The Henry Ford & Greenfield Village will be coming home in the new year.
