Email: tomasoskin@bas-k12.org Phone: 906-284-9896

Dates to Remember:

10/17/25 - end of 1st MP

10/20/25 - No school

10/22/25 - ½ Day Elementary Conferences

Supplies:

Thank you to everyone who has contributed to our classroom so far this year. We have a GREAT amount of supplies! Your support is greatly appreciated!

Other Important Reminders:

-Please check Class Dojo for important information regarding classroom updates!

-Spirit Week is next week! A flyer was sent home today with dress up day information!

-Please send your child to school with a sweater of some sort, the weather is starting to change!

-REMINDER: Homework is sent out Monday-Thursday, and I will always send a message if the students do not have it that particular day.

Math: We are getting to the middle of Module 1 in math. This entire module focuses on place value, rounding, expanded form, addition, subtraction, and multi step word problems. We just finished Lesson 7 this week. We really have been taking the time to master each skill every day. I am so proud of the students! Please remember to check for homework every night, I will always keep you updated on whether or not we have it that day.

Science: We are starting our first Science unit next week! It is called "Birth of Rocks". In this unit, students investigate features and processes of the Earth's surface. I am very excited for the students to do some hands on experiments!

Language Arts: We just got our materials for Wonders portion of ELA. We started this week with Week 1, and the students are learning about Expository texts through stories revolving around natural disasters.

I am so proud of the students in this classroom, we are off to such a great start to the year, I cannot believe we are already almost done with September. Have a great weekend!

Miss Tomasoski
