Dear Woodview Families,

October was an amazing month at Woodview! We were thrilled to have 88% of our families participate in parent-teacher conferences—thank you for taking the time to connect and partner with us to support your child's success. We also wrapped up the month with a fun schoolwide assembly where students had the chance to PIE a STAFF member—a total of 47 pies were thrown! It was a great way to celebrate hard work and following school wide expectations! Even Lolly was pied 3 times!

Halloween was a success and it was great to see so many visitors in the building. Thank you so much for all of the donations and participating in the activities with your student! I know that students were very excited for a fun day! There are a lot of fun things planned in November for your students so please check the teacher newsletters for information!

As we move into November, our focus turns to gratitude. We'll be taking time this month to reflect on the many things we're thankful for—our students, staff, families, and the wonderful Woodview community that makes our school such a special place.

In Partnership,
Kristen Larson
Principal, Woodview Elementary

WOODVIEW THANKSGIVING FOOD DRIVE

Woodview will be collecting Thanksgiving Holiday food items now through Tuesday, November 18. The holiday season is a good time to reinforce to our students the importance of giving. We will be having a competition between classrooms, with a prize going to the class that collects the most food items for each grade level. Please bring contributions to your classroom so we can assemble holiday food baskets for families in need. You can also drop off food items to the office between 9:00 am - 3:00 pm. We are looking for food items such as turkeys (1 turkey = 5 food items), canned yams, canned fruits or vegetables, stuffing, boxed potatoes, gravy, canned cranberry, dessert mixes, etc. (no expired items please). If you are in need of holiday assistance, please contact Ms. Chernoby at 616-794-4751 or chernobs@bas-k12.org. Your participation in this food drive would be greatly appreciated.

Save the Date

Our first family night of the year and holiday concert is December 11. More information to come!

THANK YOU

Our bookfair was a HUGE success this year raising over 1,500 for our library! Thank you to all who purchased books and items. Your support is greatly appreciated!

IMPORTANT

PBIS Room Referrals

Starting Monday, November 3, students will need to obtain a parent signature if they are referred to our PBIS room by a staff member. It is essential for students to take responsibility for their behavior and for parents/guardians to be informed about their child's behavior throughout the day. This way, we can work collaboratively to help students follow to our school expectations. If a student does not return the signed PBIS referral form to the office, they will stay in for lunch recess and make a phone call home. Please reach out with any questions/or concerns that you may have!

Practice GRATITUDE

Share a note of gratitude with a Woodview Staff by using the QR code and/or [clicking here](#). Notes will be shared with staff throughout the month of November!

What is the PBIS Room and Why would be student go there?

Teachers are encouraged and work hard to manage student behavior in their classroom. If a student behavior reaches a level that a teacher needs additional support they are sent to the PBIS room to complete a think sheet. Reasons why they are sent to the PBIS room include but are not limited to: Inappropriate language, disrespect, leaving the room without permission, physical aggression and/or contact, disruption or unsafe behavior.

Please encourage your student to follow our school expectations!
