Dear Woodview Families,

It's hard to believe we've already reached the end of the first marking period! The past several weeks have flown by, and it's been such a joy to see our students growing, learning, and finding their rhythm this fall. Classrooms are filled with energy, curiosity, and kindness — we couldn't ask for a better start to the year!

As we close out this first stretch, we're looking forward to Parent-Teacher Conferences on October 22nd & 23rd. These conversations are such a valuable time to connect, celebrate your child's progress, and set goals for the months ahead. We truly see conferences as a partnership — working together to help every student learn and thrive.

Here are a few tips for an amazing conference experience:

- Come with questions — your insights help us understand your child even better.
- Share what you see at home — we love hearing about your child's interests and successes outside of school.
- Take notes — it's a lot to cover in a short time, and writing things down helps you remember next steps.
- End on a positive — your child is working hard, and we're proud to share their growth!

Thank you for your continued support, encouragement, and partnership. We are so proud of all that our students have accomplished so far and can't wait to see what the rest of the year brings at Woodview Elementary!

In Partnership,
Kristen Larson
Principal, Woodview Elementary
