

Mr. Groenenboom's 3rd Grade Class

10 - 2 - 2025

ELA: We are reading argumentative texts in Wonders. We have been practicing our persuasive writing by trying to convince the NFL to host a Superbowl in Detroit. Our letters have been sent to the NFL's Superbowl Committee.

Math: We took a test on multiplication and division this week. We can review them at conferences. We are studying time now.

Social Studies/Science: We are learning about how Native Americans used natural resources. We are currently processing acorns to use for baking. Our beehive is getting ready for winter!

IXL: The class is working hard daily. They have mastered close to 1,000 skills! Keeping on pace for our year long goal.
